## SCL Review Panel Proposed Work Plan –September 2018 – May 2020

## Draft dated August 7, 2018

Role of Panel per Ordinance 124740: Review and address strategic plan and revisions | Advise on issues to be included in strategic plan framework | Review rate changes proposed & provide opinion | In collaboration with staff designated by Mayor/Council, propose a biennial work program to Mayor/ Council; items may include but are not limited to: financial policies, cost allocation, rate design, operational efficiency | Mayor/Council requested issues | Other issues Panel believes Mayor/Council should consider. 1

## 5 core components of the proposed work plan:

| Monitoring                               | Strategic Plan                        | Rate Design           | Utility of the Future                   | Core Business Issues                   |
|--|---------------------------------------|-----------------------|---|--|
| Progress on Current                      | Development                           | • Retail rates policy | <ul> <li>Risk assessment and</li> </ul> | • Capital                              |
| Strategic Plan and                       | and Delivery                          | • UDP                 | response                                | Planning/policies                      |
| Initiatives,* other                      | <ul> <li>Policy priorities</li> </ul> |                       | <ul> <li>Changing business</li> </ul>   | <ul> <li>Progress on Energy</li> </ul> |
| general informational                    | <ul> <li>New initiatives,</li> </ul>  |                       | model                                   | Efficiency and                         |
| briefings                                | Baseline Forecast                     |                       |   | Renewables                             |
| <ul> <li>O&amp;M cost savings</li> </ul> | • Revenue Requirement                 |                       |   | Workforce Issues                       |
| targets                                  | <ul> <li>Stakeholder input</li> </ul> |                       |   | Succession planning;                   |
| <ul><li>Financial health</li></ul>       | <ul> <li>Panel letter</li> </ul>      |                       |   | Positive Culture;                      |
| <ul><li>Major projects</li></ul>         |                                       |                       |   | Retention                              |
| • Customer service &                     |                                       |                       |   |  |
| other metrics                            |                                       |                       |   |  |
|  |                                       |                       |   |  |

\*The 7 initiatives in the newly adopted strategic plan are:

#1 – Improving Customer Service #5 – Evolving Energy Markets #2 – Business Process Improvements #6 – Environmental Stewardship

#3 -- Revenue Recovery and Rates #7 – Clean, renewable-powered city

#4 -- Managing the Cost of Growth

<sup>&</sup>lt;sup>1</sup>[A]fter the adoption of each update to the strategic plan, [the Panel will] work closely with staff designated by the Mayor and the council to propose, in writing, a biennial work program to the Mayor and Council. Work program items may include, but are not limited to, financial policies, cost allocation, rate design, operational efficiency, issues requested by the Mayor or the Council, and issues the Panel believes the Mayor and the Council should consider. (Ord. 124740, Section 1).
